The subject of the Kolar Mokhbara Schools was brought forward for discussion at the Dasara Representative Assembly of 1913 and Govt's reply was that report would be called for and action taken. The Deputy Comr's report which had been called for both on the Mysore Govt. Mr. A. Hony Secretary's representation and on the D. R. A. Subject No. 379 of 1913 has now been submitted. As the schools in question are proposed to be transferred from the Mokhbara to the Education Dept with a view to their better and more efficient management, it is a point for orders whether the subject which is of an Educational nature may not be transferred to Branch VI for being dealt with there or whether action can be taken by the Mysrai Branch itself.

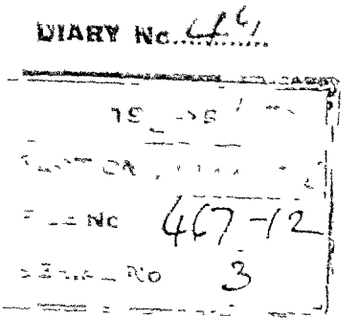
SUBJECT No. 379.

The Kolar Mohhbua schools.

Mr. M. G. Mukhri, Central Muhammadan Association Bangalore.



Summary of discussion.— To ameliorate the languishing condition of the three Mahomedan schools (two for boys and one for girls) maintained by the Gumbaz funds at Kolar, it is necessary to place them directly under the management of the Education Department which has revised and considerably improved the two institutions similarly maintained by the Gumbaz funds of Seringapatam.

The schools at Kolar have deteriorated not from mismanagement but from paucity of pupils.

Reply of Government.—Report will be called for and action taken.
